

ZOYA

GHAZALA BAY

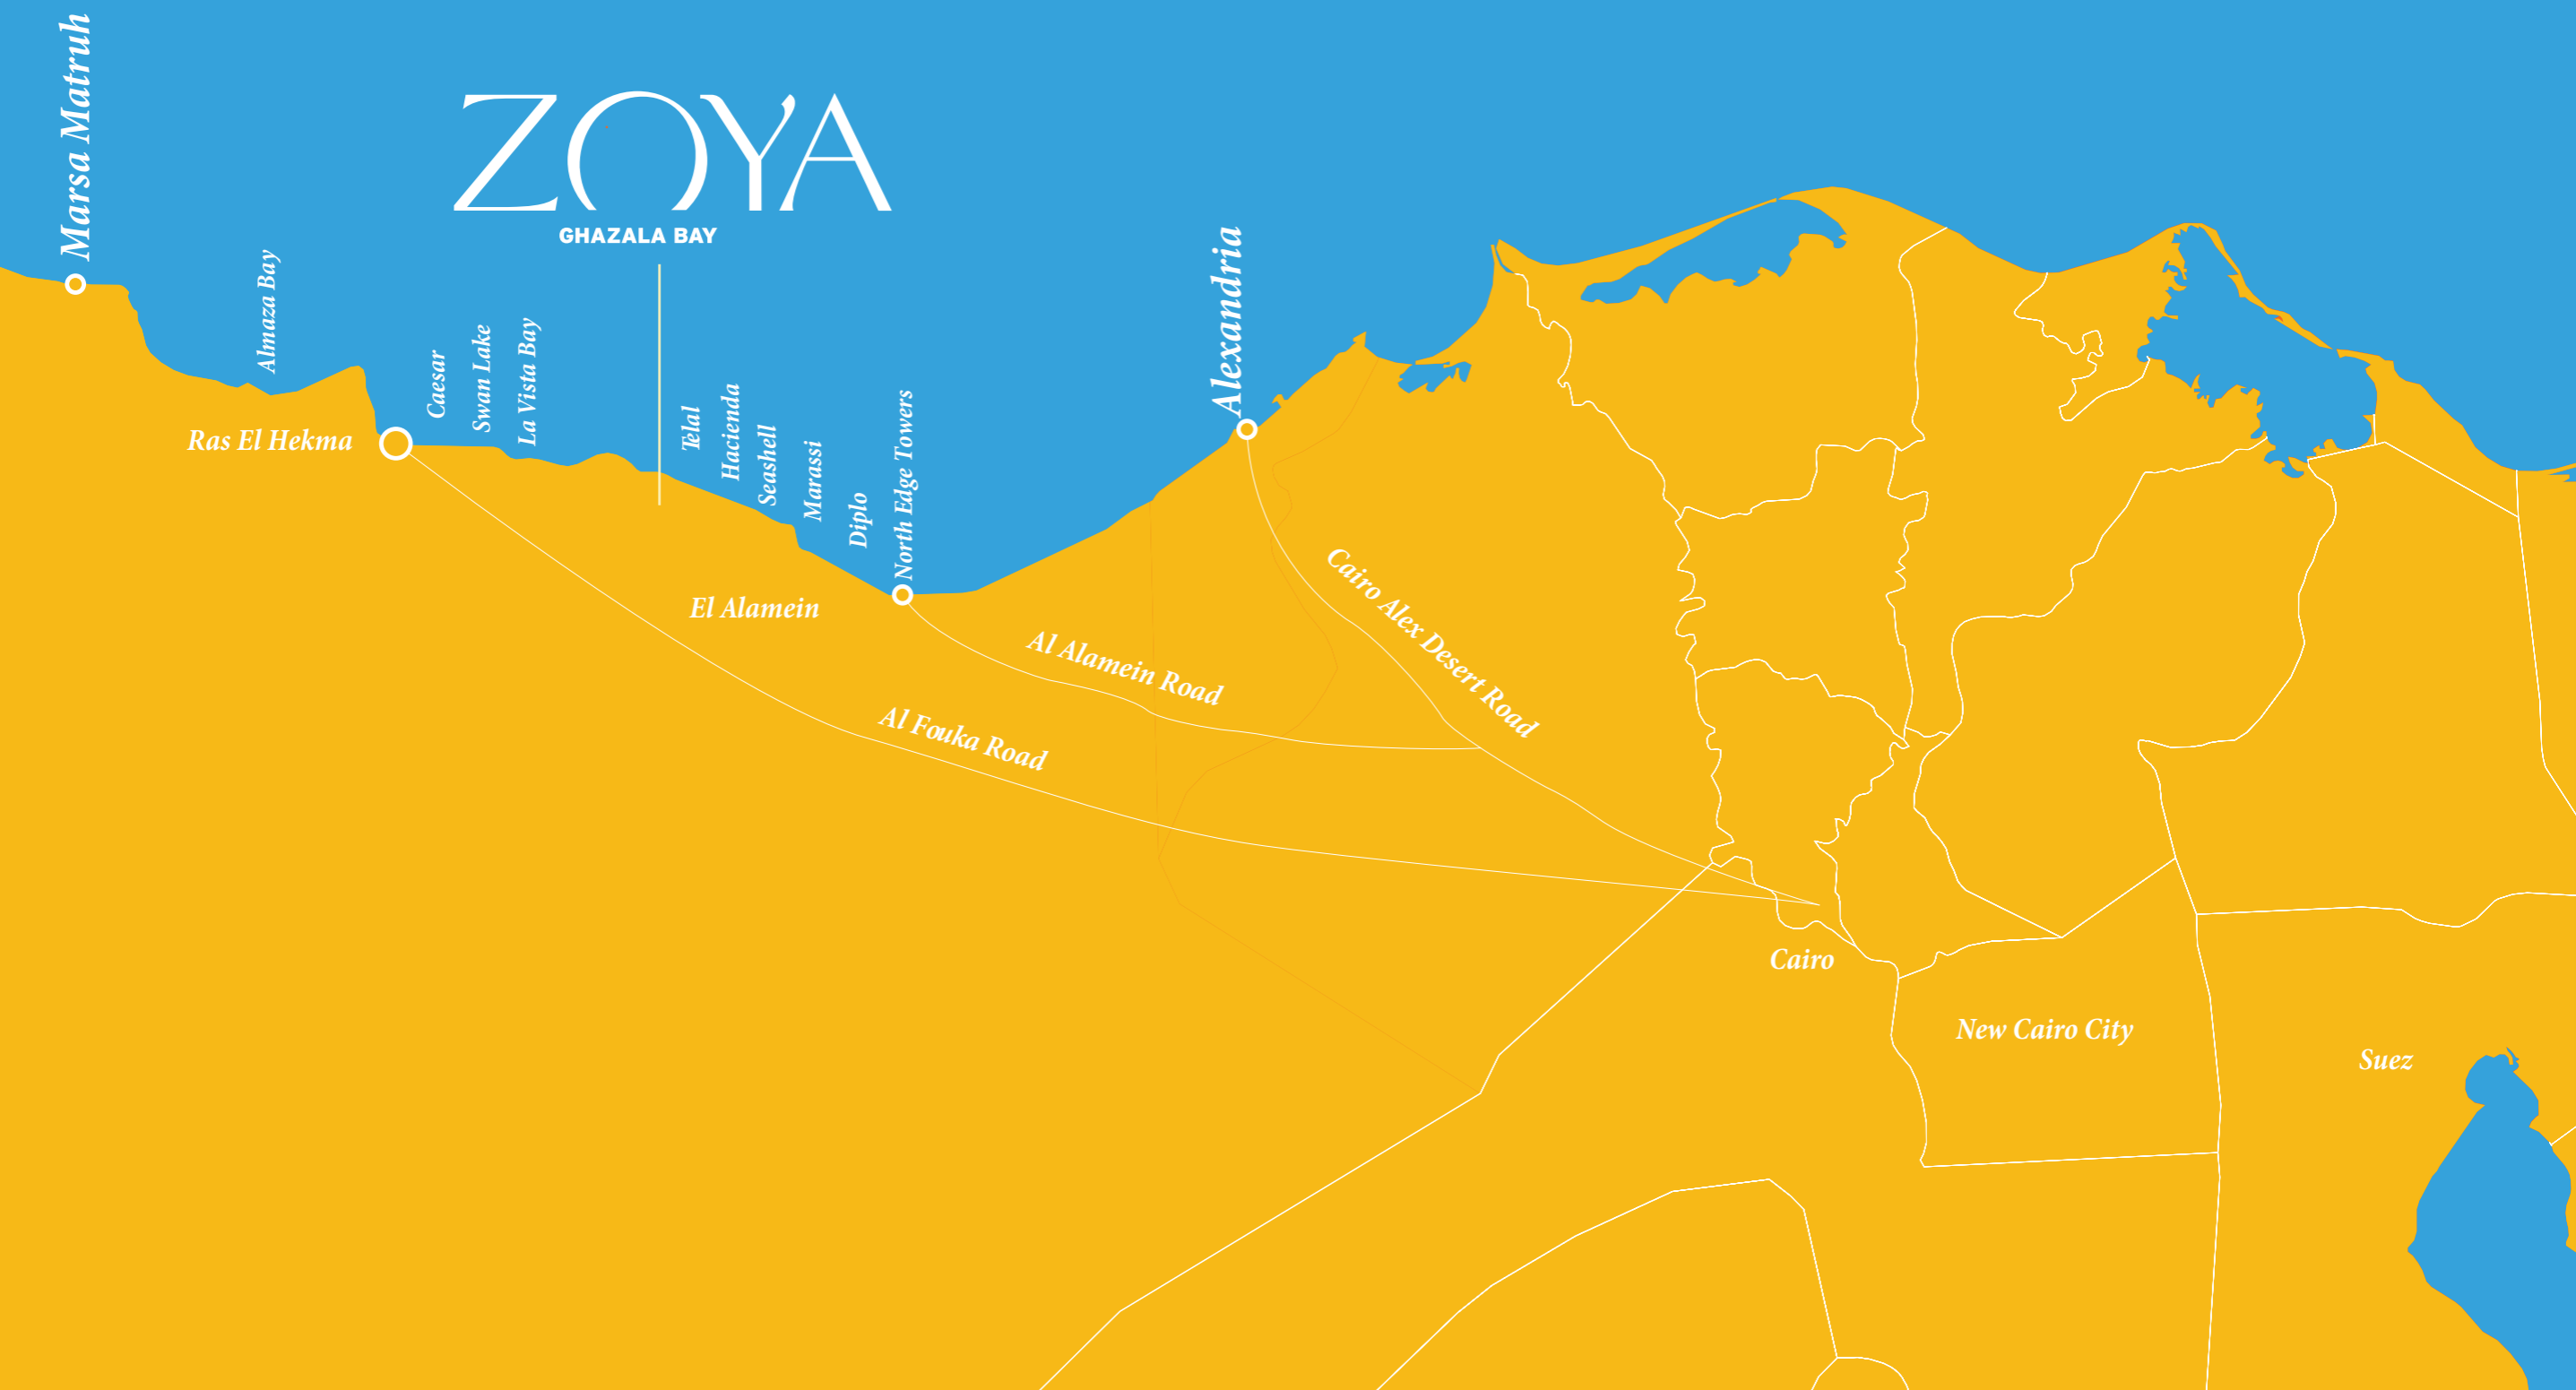

Zoya Ghazala Bay is the latest project from LMD. A boutique pearl amidst the coast of Ghazala Bay. An escape with inimitable mediterranean opulence and unceasing solitude.

Zoya Ghazala Bay is the new print that gives a revived meaning to .. Before Anything Else.

A location like no other.

Zoya Ghazala Bay's location was a decision meticulously made to achieve prime. An exclusive spot on the 142 km Alex to Matrouh Road. It lies on Ghazala Bay's crystal clear shoreline. With an

idyllic location of a 5 min walk, it grants its community easy access to a heavenly turquoise beach shore. Year-round sunshine is all just a pleasant 3.5 hours drive from anywhere in Cairo.

Dazzling Blue
Shades of Blue
& Velvet Sands

a Floating Masterpiece

Zoya Ghazala Bay lies on 148 acres of soul-liberating space. Every aspect of the project was seamlessly designed by Archi-view using minimal unit density to maximize the ease of circulation between zones with breathing spaces. The ambiance is complemented with vivid sceneries thanks to lush

cascading levels evoking a unique air of privacy. Each home enjoys panoramic nature indoors from a manicured garden or expansive terrace. The seclusion you need to fully absorb in its four dazzling shades of blue and immerse in the warmth of the velvet-smooth sands.

Waterfront Homes.

Alchemyarchitecture

The architectural concept of Zoya Ghazala Bay is aquatic. Re-imagining all shades of summer from a personal perspective not offered elsewhere. Soulfully designed by LMD in collaboration

with Alchemy in a layout of exclusive islands built on different elevations to revive waterfront serenity on the North Coast by breaking down Ghazala Bay's virgin elements inside a signature

collection of homes ranging from Standalone Villas, Twin Houses, Town Houses, Chalets & Cabanas respiring with space & coastal comfort.
