WORLDS OF PRIVACY

Steigh8t has 8 gates within its gated community. An interconnected vision of harmonious sustainability and unpaired privacy where vertical elevations set your home before a theatre of skies, trees, and flowing streams. Here, privacy is your lifetime companion.

YBA DESIGN STATEMENT

Stei8ht is the new singular villas community in New Cairo, it is the conclusion of an unparalleled masterplan design that focuses on blending both sophisticated luxury and timeless lifestyle. The key standard was to create a home with a view and a view with a soul along the whole development. Hence the multi-district residence was generated.

The design promotes the ideal terms of health, wellness and safety through each corner of the project where all districts share one vast exclusive park mixed with an array of experiences through its embedded clubhouses and community centers, while each neighborhood also has the bonus benefit of an inclusive park of its own.

The project is also self-sustained with its enormous individual district of mixed-use development that adds a new dimension of occasional wants and daily needs to all users.

LMD provides the community with a phenomenal domain that offers the core essence of the “Stei8ht” of belonging.

STATEMENT OF THE ARCHITECT

Stei8ht takes inspiration from the ongoing dialogue between living spaces, a dialogue that continues until a given settlement becomes a town. Articulated volumes of solid & void managed to create spatial experiences, known as the masses of architecture and its urban environment. Architecture emerges from the ground as the perfect flow of masses forming volumes that plays on a seamless integration between the indoor/outdoor experience.

The applied design approach is a balancing act between different textures and considerable openings with selected accents creating -at the end- a masterpiece on its own for everyday life. Here is the freedom to be who you are in a place where your state of being is what makes you belong. Here is the ultimate Stei8ht of belonging.
