# Project Location.

## Ultimate accessibility amidst the golden square.

*As everything in the circle of life is connected, so is 3'Sixty. It is established on Bin Zayed's Axis at the Golden Square, linking it to both the New Capital and New Cairo. A position that gives 3'Sixty access from various & vital areas in Cairo. 3'Sixty has three entrances for effortless access to everything its product mix has to offer, for a guaranteed experience.*

## Gensler

Gensler is our master planner and architecture designer, he designed 3'Sixty to be a world of mixed retail, clinics, and offices. Using an array of site levels amidst inviting landscapes to create a new realm that is both inspiring and appealing to the end-user.

Gensler is a global tycoon in architecture, interiors, planning and strategic consulting. Partnering with both corporations and organizations for the past 50 years is their formula for achieving excellence in design. Using 29 specialized practice areas, they sketch progressive ideas that are later on translated into destinations that give the end-user a unique experience. Some of their iconic master plans include; Soma Bay in Egypt, Dubai International Financial Centre Authority (DIFC) in UAE, and the prestigious Leeds Station and Science Museum Innovation Campus in UK.

# Project Features.

*A commercial mix with a 360  
experience*

3'Sixty is a commercial project. A one-stop destination planned to complete the circle of life. Your day starts with work then is handed over to a night of entertainment and leisure.

The circle is whole with; Cafes, markets, bakeries, bistros and a mixture of restaurants that will satisfy your senses. The thrill comes to life at the Cinemas, the most interactive entertainment experience for the whole family members. 3'Sixty is an evolutionary movement that took offices and clinics from the streets to a dedicated and prestigious complex. Composed to fulfill the style of your lifestyle and your day-to-day desires. Expressly designed for you... to never miss one opportunity in seizing the day.

# Promenade.

*All truly great thoughts are  
conceived by walking –  
Friedrich Nietzsche*

It is said that the simpler things in life are what we appreciate most. A nice walk could be exactly what you need for a fresh boost. 3'Sixty includes a track that is 271 m long and 40 m wide. A vast walking promenade, fit for a walk outlined with spacious areas, breathing with life, and beautiful buildings with picturesque landscapes. Specifically designed for you... to never miss one opportunity in seizing the day.
